

COMPACT *of* MAYORS

The Compact of Mayors Secretariat hereby declares that **LEGAZPI** has achieved full compliance with the Compact of Mayors, the world's largest cooperative effort among mayors and city leaders to reduce greenhouse gas emissions, track progress, and prepare for the impacts of climate change.

Through publicly reporting on:

- The greenhouse gas emissions inventory for the community consistent with the Global Protocol for Community-Scale Greenhouse Gas Emission Inventories (GPC)
- The climate hazards faced by the community
- The target to reduce greenhouse gas emissions and address climate vulnerabilities
- The plans to address climate change mitigation and adaptation

The Compact of Mayors Secretariat warmly congratulates this show of local climate leadership, also recognizing that local action can have a significant global impact.
